Biographies for co-option process

Nigel Greenhillⁱ

My wife and our baby moved to Barcombe Mills earlier this year. We have been overwhelmed by the friendliness and strength of the local community and the warm welcome we have received. My motive to join the council is twofold: 1) further our appreciation of the community 2) to do what I can to maintain and contribute to the strength friendliness we've observed. I am a strategy and innovation consultant with a focus on listening and then collaborating on practical solutions as problems are identified. I hope these skills would be a useful addition to the balance of the council team in place.

Graham Smith

I've lived in the parish for 18 years which obviously doesn't make me a local I'm not quite sure how long that takes! Over the years I've slowly become a part of the community in the Town Littleworth area and supporting the recent village shop changes. I've gleaned a better insight of what being parish councillor might be entailed from attending several meetings and was very impressed with how Barcombe Parish Council works and if I have any skills it would be the of practical kind.

I work in the film industry a director of photography and have travelled extensively filming social documentaries picking up a world of knowledge but at when at home it's all things countryside that occupy my interest, maintaining the land we have and helping others local to us.

I cycle a lot locally which satisfies my curiosity for what's happening around the area we live in and I'm very much a doer, given a problem I'll look at the best way of solving it. I have enthusiasm, machinery and ideas. As I get older the sense of community becomes increasingly more important and with the parish council at its heart, I would like to offer my support and skills.

Mark Stroude has lived in Barcombe for the past 23 years. Having grown up on Culver Farm, Church Rd, he is familiar with the locals and surrounding area. He now manages the family farming business growing sweetcorn and cereals. He is married to Emma and has three children, all destined for Barcombe School.

ⁱ Clerk is checking length of Parish Association.
