Planning Application – Construction of home Office

The Parish Council accept that it is reasonable to have a home work space however they would like to raise the following concerns with planning application LW/18/0432:

- 1) Whether the land is subject to an agricultural restriction on building.
- 2) That the size of the proposed home office would lead to the overdevelopment of the plot.
- 3) There is a concern about a shortage of visitor parking (if the work being undertaken would involve additional cars).
