

Neighbourhood Plan: New Housing in Barcombe

There will be a meeting on Sunday 14th January 2018 in the Village Hall at 3pm to discuss:-

- What has happened since the village housing survey in Aug 2015?
- What housing is currently being proposed and where ?
- Whether affordable housing will be included ?
- Why one site and not another ?
- What influence can the village have over location, size and design ?
- What happens if we do nothing?
- How can a Neighbourhood Plan help ?

The meeting is open to all Barcombe Residents.

The Steering Group will present evidence it has gathered to form policies in a Neighbourhood Plan focusing on housing development and will welcome feedback from residents.

The meeting will be run by the Neighbourhood Plan Steering Group, with the full support and encouragement of the Parish Council.
