Peter Cleveland, from the development company Henry Adams (Planning) gave a short presentation on proposals for Camoys Farm and the land adjacent to the village hall (between East Lodge, Barcombe Place and the Village Hall).
Adjacent to Village Hall - The proposal is for 9 dwellings, all single storey and a mix of 1 and 2 bed detached and semi-detached properties. Planning permission has not yet been sought. The Parish Council requested that a public consultation event be hosted as part of the planning process and the developers were open to this idea.
Camoys Farm - Developing farm buildings on Camoys Court Farm will be within 'permitted development allowances'. For this site they will soon be in a position to submit a request for prior approval via Lewes District Council for dwellings on the site of the old grain barn.

Mr Cleveland can be contacted (Peter.Cleveland@henryadams.co.uk) if any residents have questions or would like to discuss the sites.
